Who We Are

Our products were established many years ago in the hills of France by our Grandmother. During her time people would travel great distances for her all natural handmade Soaps, lotions and creams. They knew these products were made with pains taking pride and passion.

AhVi Skincare has committed to using the finest and purest ingredients from around the world to produce chemical and toxin free body products. Founded in 2014, AhVi strives to create a lavish experience for all bath and body needs while developing beautiful and healthy skin.

At AhVi Skincare our goal is to be a different company than most. We feel a skincare company is more than the sum of its products. All our products are 100% Handmade with top-notch organic ingredients.

We pledge to provide a safe product that works. We stand behind all our products with a 30 Day money back guarantee.

Contact Us

We are actively looking for distribution partners, retail chains, independent retailers, spas and salons for AhVi Fluer Skincare both in the US and worldwide.
